FOR IMMEDIATE RELEASE

TODOROFF FOODS IS THE BEST IN MICHIGAN

Todoroff Foods Incorporated earns the best Food Safety Assessment ever written in Michigan by the United States Department Of Agriculture.

JACKSON, Michigan — February 20, 2007 — Todoroff Foods Incorporated today announced that it has earned the honor of receiving the best Food Safety Assessment ever written by the United States Department of Agriculture for a food processing company in the state of Michigan. Thomas Gallagher, United States Department of Agriculture Frontline Supervisor for all food plants in western Michigan, stated that the findings made Todoroff Foods

“the best FSA ever written in Michigan”.

He commended Kurt R. Todoroff for his commitment to food safety. He also stated that the Todoroff Foods plant

“is the safest plant in my circuit”.

This singular distinction reflects credit on our commitment to food safety and our commitment to our customers. We are proud of our achievement and of this unique status.

We look forward to continuing our four generation and 93 year heritage of producing quality food and happy customers.
